Question 4: Do you think your club/coaches/volunteers would want course dates published to then apply, or would you prefer to have a course arranged to suit local demand (customer led)?

- **Course dates published and then candidates can apply**
- **Have candidates request a course and once sufficient numbers, a date & venue will be confirmed**

Question 5: Would your club be prepared to host a Level 2 Club Coach Course which does require a little more in terms of time, facilities and equipment. (If there is no hire charge BR will give the host Club one free place on the course?)

- **Yes, our club has the facilities and are willing to host a coaching course**
- **No, we do not have the facilities/cannot be a coaching venue**

Question 6: Does your club have any ideas of the Workshops they would like to see staged next Winter, e.g. Rigging, Strength and Conditioning, Nutrition, etc.

Please add any workshops/topics you would like to see included.

Please let us know what club this response is coming from so we can start planning our courses geographically.
